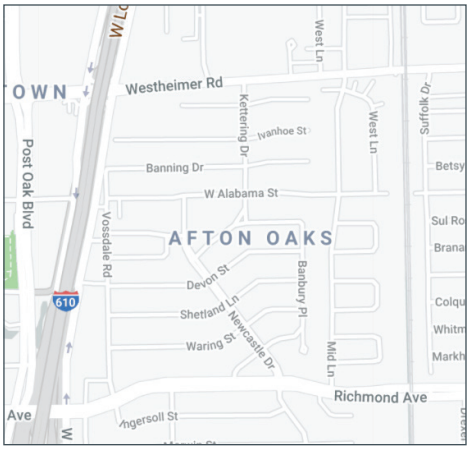
Things to Love About Afton Oaks



- The residents of Afton Oaks are a wonderful mix of professionals, families with children, and empty nesters who wouldn't live anywhere else.
- This deed-restricted "Inner Loop" upscale residential community has approximately 525 homes.
- The neighborhood's close proximity to Highland Village, the Galleria and Uptown Houston, and their many restaurant and entertainment venues, makes it an attractive location for home buyers seeking a suburban atmosphere with urban sophistication.
- The Afton Oaks Civic Club boasts a reputation for defending the neighborhood's character, and all but guarantees a continuation of the timeless, traditional charm that stretches back to the 1950s.
- While much of the neighborhood is still single-story ranch construction, new construction of two-story brick or stucco residences began in the 1980s and continues today.
- The neighborhood's stately trees remain and add a special presence to this inviting neighborhood.
- Afton Oaks has great neighborhood access to The Galleria, Greenway Plaza, and Downtown Houston.
